Dear Ian

Premier of Limpopo Province Dinner

I am writing to thank the AV Alliance and its partner Eastern Acoustics for the provision of sound, lighting and projection equipment at the dinner that we hosted in honour of the Premier of Limpopo and his delegation on 30th August

Altius was invited to host the evening as a BEE company and it provided an opportunity for many other BEE companies and organizations to showcase their products and services. The evening was a great success. This would not have been possible without the equipment and professionalism of the staff provided by the AV Alliance

Thank you very much for your support. We value our association with the AV Alliance

Yours sincerely
