Dear Francouis

ACI CONFERENCE – CAPE TOWN 2006

Thank you very much for working with us on ACI 2006. Your team and in particular Jaco and Hafeez were most supportive and patient with our demands.

A big thank you to you for providing the necessary backup we required with our client's many many demands and changes. I was most impressed with the professional service that AV Alliance provided.

Please convey my sincere thanks to your team for a job well done and my thanks also to Kurt who assisted with all the initial planning.

Yours faithfully

Deidre Cloete
