Subject : Cape Town IEC General Meeting 2005

Dear Collin,

I should like to thank you personally for the part you played in making the 2005 Cape Town General Meeting (GM) such a great success. As during all meetings, there are many last minute problems that need to be solved, but you remained calm under the stress and were always able to find a solution, enabling us to carry out our business successfully. Your ability to grasp the situation and adapt to our requirements was greatly appreciated.

I wish you every success with your future meetings.

Very best regards,

A. Amit  
IEC General Secretary & CEO
